Committee Communications & General Comments: Steven Buckley

Review of recent Webinar notes on visitors coming to the Jamboree:

Promotions: Steven Buckley, with help of many.

YOUTH: As of this meeting we filled our Jamboree troops with about 7 on the waiting list. We have also filled our 2 Venture Crews. As result of the Kick off meeting we had some movement between the troops and the crew.

ADULT: On the adult side we have filled up all our troop positions. On the Venturing side we have decided to stay with three adults which opened one youth slot which is filled based. This was made possible because the other two council will be sending adults so there will be more than what is required for full crew.

We have received one families request to move two brothers out of Kevin's D418 troop to either of the other troops. I prepared an e-mail, sent to Chris today and copied to unit leaders, to send out to families that might be in a position to switch. There are 8 boys in troop B238 & 27 from troop C440 that were place there arbitrarily by me there so in my mind could be moved.

Health & Safety: Mike Scotto
Health forms will be available late in the fall of 2012.

Transportation: Mike Maier
Based on the quotes we received we have decided to accept the one from TMS.

TMS \$17,578 + 420 (Tip) = \$17,998 (Includes fuel at \$4.25 a gallon, there would be additional 1% for every \$.10 above \$4.25. Current price is \$3.826.

Arrangements are yet to be made for the stop on the way back on the 24th.
