

2013 National Scout Jamboree FAQ

Create World Jamboree-Style Scouting Neighborhoods

- Smaller camping footprint (1,000 acres) than Fort A.P. Hill (5,000 acres).
- Maximum distance to arena from any subcamp will be 1.5 miles.
- Twenty subcamps organized into five villages.
- Much smaller subcamp staff.
- Troops assigned to promote highest amount of interaction (no camping by regions).
- One subcamp will be dedicated to Venturers.
- Almost all adult staff will be housed and fed in the adult camp (6,000 to 7,000).
- Walking will be the norm—no personal vehicles allowed in the jamboree footprint.

Build Flexible Infrastructure to Support Both Jamboree and The Summit Year-Round Programs

- Permanent camp sites with bathroom facilities.
- Underground electricity and fiber optic cable for the entire site.
- First jamboree will have more temporary facilities.
- The Summit Center will be designed to function as the visitor experience area.

Embrace Cutting-Edge Technology in the Jamboree Operational Model

- Jamboree will utilize technology at every possible level, from registration through the event.
- Plans are to give each participant a personalized, programmable handheld device (the j-phone) with all program data and individual schedules pre-loaded.
- J-phone will entertain and inform participants throughout the jamboree.
- BSA technology will become part of the jamboree “magic.”

Employ a Seamless Logistics and Supply Operation

- Jamboree will provide all troop equipment—tents, cooking equipment, etc.
- Participants will only bring a duffel, sleeping bag, and day pack (jamboree will supply duffel and day pack).
- Food will be pre-packed by troops, with cooking designed for troops rather than patrols.
- Commissary will be offsite, with troop food delivered to villages.
- Lunches will be issued with breakfast in the morning so that participants will have them wherever they are.

Deliver a World-Class Program—Constantly on the Move

- Program will be more diverse, more intense, and have a higher energy level than previous jamborees.
- Jamboree will engage Scouts on a more intense program level in areas of interest to them.
- Program will be daylight to dark.
- Day of Giving Back.
- New Jamboree Trek program.
- Merit badges connected to program areas.
- Arena shows designed to entertain and inspire youth members.

Showcase a Visitor Experience Very Different than the Participant Experience

- Visitors and participants can come together in the 90-acre Summit Center.
- Access to program areas will be limited to jamboree participants.
- In the Summit Center, visitors will be offered a “jamboree lite” experience with a sampling of jamboree activities, constant entertainment, and activities in the arena area, in addition to the exhibit and display areas.
- Jamboree visitors will be provided an improved experience and charged a reasonable but appropriate fee.

Enable a Volunteer-Driven, Professionally Guided Jamboree Staff Opportunity

- Staff mantra—“volunteer-driven, professionally guided.” No duality of one volunteer and one professional in each major assignment.
- Less management, more customer-engaged staff.
- Emphasis on recruiting younger staff members by providing shorter commitments than entire jamboree.
- OA will provide more than 600 Arrowmen for programs such as Jamboree Trek and Day of Giving Back.
- Jamboree staff camp will be separated from participant camps, with vast majority of staff housed at this camp.
- Adult staff camp will provide first-class facilities and food.

Go Green, Go Healthy, and Go Safe

- Jamboree will use absolute best practices of eco-friendly camping—an example to other camps.
- Embrace conservation practices and Leave No Trace camping.
- Promote childhood health and fitness.
- Everyone will walk everywhere.
- Healthy food and drinks offered.
- Maintain high standards of Going Safely that was benchmark of 2010 jamboree.

Sustain the Scouting Movement for the Next 100 Years

- Jamboree will preserve the best of jamboree traditions while creating new ones.
- Scouts, staff, and visitors will be introduced to the World Brotherhood of Scouting at The Summit.
